

# WELCOME

October 2009

Dear Osborn Parents and Friends,

Here it is.... your chance to help make Osborn a SMART School! Proceeds of our Silent Auction will be donated toward the purchase of SMARTBoards for our classrooms. As shown at Back to School Night, these amazing classroom tools enhance the learning experience for our children. The PTO, our teachers and children need your help to achieve our goal of a SMARTBoard in every classroom.

Enclosed we have an array of Auction items: parties, dinners, fitness sessions, sports and theater tickets.... something for everyone. The Silent Auction will be the major fundraiser at our Osborn *Monster Mash* Carnival on Saturday October 17, 2009. We hope you will visit us at the Silent Auction to make your bids.

What you need to know:

1. Each Osborn family has a bidder number for use at the Auction. Your number appears on the cover of this Journal. You should use this number on the bid sheets at the Auction. We will also have some additional bidder numbers available on the Auction day, if required.
2. Bidding starts at 10am.
3. Everything is final sale so please check the item details carefully before you bid.
4. Please observe minimum bids and bid increments.
5. Bidding ends at 3:30pm.
6. Items can be collected from 4:30pm onwards. Don't forget your checkbook! Payment by cash or check only.
7. HAVE FUN AND BID HIGH! Our kids deserve our support.

See you at the Monster Mash 2009!

The 1998 vintage of La Grande Dame Riva Champagne Gift Box, the quintessence of the Veuve Clicquot style, reaches a peak of refinement, without losing its legendary strength produced by a blend including nearly two-thirds of Pinot Noir. It has unbelievable aging potential.

"The contrast of depth and brightness, or intensity and weightlessness creates a sense of harmonic resonance in this wine. All the aromatics are potent, from the scent of rising bread dough to the red skin of an apple, all the corresponding flavors rich yet refreshing. Once in a while, there is a young beauty who will age into a more profound older beauty; La Grande Dame is part of that rare breed." -Wines & Spirits
