**You must provide additional information to confirm your eligibility for the STAR property tax exemption by May 1, 2011.**

As a result of legislation by the State of New York, homeowners whose income is over \$500,000 are no longer eligible for the Basic STAR ("School Tax Relief") property tax exemption. Eligibility is based on the combined incomes of

- owners who reside at the property and
- any owner's spouse who resides at the property.

For 2011, legislation requires that income information from the 2009 tax year be used to determine eligibility.

The New York State Tax Department wasn't able to confirm that you're eligible for the tax exemption. You must provide additional information to the assessor so your eligibility can be determined.

**What to do next**

Complete the enclosed income verification (Form RP-425-BV) and give it to your assessor by: **May 1, 2011**.

The form may be mailed to the above address or emailed to: ***starexemption@ryeny.gov***

**If you do not respond, you will not receive the STAR exemption.**

**Questions?**

- To learn more about the STAR Program visit the Tax Department's property tax website at: [www.orps.state.ny.us](http://www.orps.state.ny.us)
