1. Pledge of Allegiance.

Mayor Sack called the meeting to order and invited the Council to join in the Pledge of Allegiance.

2. Roll Call.

Mayor Sack asked the City Clerk to call the roll; a quorum was present to conduct official City business.

3. Resolution for the Mayor and Council to approve the appointment of the Police Commissioner of the City of Rye.

City Manager Serrano stated that this was a proud moment in his tenure to recommend the appointment of a Police Commissioner. The final candidate recommended, Michael C. Corcoran, was the result of a nation-wide search, narrowed down from 24 candidates. The City interviewed several of Mr. Corcoran's references. One reference was a Lieutenant who trained Mr. Corcoran who conveyed that Mr. Corcoran exhibits a high level of integrity as a leader of internal affairs at his current department. Mr. Serrano stated that Mr. Corcoran not only passed the Lieutenant exam, but also the Bar exam. He believes that Mr. Corcoran will be a tremendous asset to the City. Upon the Council's approval, Mr. Corcoran will be ready to start as Police Commissioner on February 1, 2016.

Mayor Sack made a motion, which was unanimously carried by the Council, to accept City Manager Serrano's recommendation to appoint Michael C. Corcoran as Police Commissioner. No member opposed the motion.

Mr. Corcoran addressed the City Council and City Manager, stating that he is honored to be the next Police Commissioner. He further stated it was a very proud day in his 25 year career to lead the Rye Police Department. Mr. Corcoran has been met with nothing but professionalism from the City. He is looking forward to working with the men and women from the City of Rye Police Department, and is hopeful to learn from the other officers. Mr. Corcoran then introduced his family to the community. Lastly, he thanked the Council for their support.

Mayor Sack made a brief comment on process. He stated that the new City Charter provision for the City Manager to make a recommendation to the Council worked very well. In this instance, the City Manager allowed the Council to come into the process, which worked exactly the Council envisioned. He felt that the process has been improved by the change to the Charter.

City Manager Serrano thanked Assistant City Manager Eleanor Militana and Personnel Manager Maryann Cianci for their hard work with the appointment.

Mayor Sack stated that the Council and community look forward to Mr. Corcoran leading the Rye Police Department.

4. General Announcements.

Councilman McCartney announced that unfortunately, Rye Resident Betty Nye passed away at 89 years old. Mrs. Nye had 23 grandchildren and 13 great grandchildren. He thanked Mrs. Nye and her family for their contribution to Rye. There was then a moment of silence.

Councilman McCartney then announced that the annual bonfire and holiday sing along is Sunday at RyeRecPark. Registration for the Rye Recreation winter programs opens up at December 7, 2015 at 10:00 A.M. He encouraged residents to sign up and reminded them that the registration fills up quickly.

9. Continuation of Public Hearing to amend local law Chapter 197, "Zoning", of the Rye City Code by amending Section §197-2, "Districts, A: Residence Districts" to change the zoning designation of a property at 120 Old Post Road from the B-4, Office Building, District to a New RA-6, Active Senior Residence, District; and amending Section §197-86, "Tables of Regulations: Table A, Residence Districts – Area Yard, Height and Miscellaneous Regulations" to add the proposed RA-6 zone.

This agenda item was taken out of order.

Mayor Sack announced that the rezoning proposal has been on the Council agenda over many months, and the Council intends to vote on this matter. As the Public Hearing was kept open, Mayor Sack invited any members of the community to speak on this issue.

Robert Van Der Watern, 683 Boston Post Road, thanked the Council for considering his issues and previous letter. He raised two issues for the applicant: first, he expressed concern over landscaping along Boston Post Road, and second, inquired about the probable blasting or rock chipping.

Jonathan Kraut, attorney for the applicant, addressed Mr. Van Der Watern's issues. He stated that the applicant intends on providing a landscape design to the Planning Commission. With regard to rock removal, the applicant plans on any removal well within the confines of the City's new law.

Joseph Murphy, 57 Franklin Avenue, strongly supports the adoption of the zoning change. He is thankful that the Council is entertaining it.

Councilwoman Brett made a motion, seconded by Councilwoman Killian and unanimously carried, to close the Public Hearing.

Mayor Sack asked Councilwoman Brett to clarify whether all items previously discussed were incorporated into the proposed zoning amendment.

Councilwoman Brett provided background to the Council and community on this particular zoning change. She stated there was very little opposition from the public on the proposed zoning change. By way of background, the Planning Commission took several months with the applicant to provide a recommendation to the City Council. Upon receiving a recommendation, the City Council has been working with applicant on several issues over the past few months, such as traffic. The Council understands there could be additional traffic issues and as a result, the City's traffic engineer performed further study. The City's traffic engineer updated the Council at the previous Council meeting on November 18, 2015. The Council further asked the applicant to increase some of the setbacks which is now reflected in the proposed amendment. The Council further asked the applicant to adjust the Floor Area Ratio (FAR). The maximum FAR will now be 0.75. Further, the minimum size of a lot per family has increased to 2500 square feet.

Corporation Counsel Wilson reminded the Council that as part of the process, in October 2014, the City of Rye declared itself Lead Agent, and the proposed project was declared a Type 1 action. Currently, the next action is for the Council to take a negative declaration to find there are no significant environmental impacts to move forward.

Councilwoman Brett stated that the new zoning will provide for a capital contribution fee on a per-unit basis.

Corporation Counsel Wilson stated that for the Council to move forward there would need to be a motion will be to adopt a negative declaration regarding type 1 action regarding "Zoning", of the Rye City Code by amending Section §197-2, "Districts, A: Residence Districts" to change the zoning designation of a property at 120 Old Post Road from the B-4, Office Building, District to a New RA-6, Active Senior Residence, District; and amending Section

§197-86, “Tables of Regulations: Table A, Residence Districts – Area Yard, Height and Miscellaneous Regulations” to add the proposed RA-6 zone.”

Councilwoman Brett made the recommended motion, seconded by Councilman McCartney and unanimously carried, to adopt a negative declaration regarding type 1 action regarding “Zoning”, of the Rye City Code by amending Section §197-2, “Districts, A: Residence Districts” to change the zoning designation of a property at 120 Old Post Road from the B-4, Office Building, District to a New RA-6, Active Senior Residence, District; and amending Section §197-86, “Tables of Regulations: Table A, Residence Districts – Area Yard, Height and Miscellaneous Regulations” to add the proposed RA-6 zone.”

Councilwoman Brett made a motion, seconded by Councilwoman Killian and unanimously carried, to adopt an amendment to local law “Zoning”, of the Rye City Code by amending Section §197-2, “Districts, A: Residence Districts” to change the zoning designation of a property at 120 Old Post Road from the B-4, Office Building, District to a New RA-6, Active Senior Residence, District; and amending Section §197-86, “Tables of Regulations: Table A, Residence Districts – Area Yard, Height and Miscellaneous Regulations” to add the proposed RA-6 zone.”

Prior to the vote, Councilman Slack made a comment. He stated that when the zoning change proposal first came up, he had questions that needed to be answered with respect to the project. Upon considering the tax mix in the City, he is always concerned when we turn commercial property into residential. However, during the site visit, he became convinced that it would be difficult for the current owner to use the property commercially. Councilman Slack recognized Councilwoman Bucci’s earlier point that the property would be difficult to rent. He encouraged the Council to consider issues like that when it considers the Master Plan next year. Councilman Slack further stated that the concerns the Council had on this project were more than adequately answered by the applicant. While there could have been a possible negative effect on the schools and children, Councilman Slack felt comfortable because the School Board and school community did not object to the project during the lengthy Public Hearing. He stated that this Council spent a lot of time dealing with any questions or issues prior to moving forward. He felt the applicant has been very accommodating and responsive to the Council. Councilman Slack then thanked the applicant for the way it conducted this project.

Councilwoman Killian stated that she is thrilled that the community will have a place for seniors to stay in Rye. There are lots of terrific people here and the Council would like to keep them as part of the community. She is happy that there will be more alternatives for seniors.

Mayor Sack stated that this Council has been a process-driven Council to try and always end at the right outcome. The process is important. In this case, the Council was issued a

recommendation from the Planning Commission which the Council considered, applied and incorporated public feedback, and ended with a positive outcome. Mayor Sack thanked the applicant for their flexibility through the process.

Alfred Weissman, applicant for this project, stated that he has been around for a long time and served in the Army 71 years ago. He wants the Council to be proud of the project at its opening. The end result will be the best the applicant can possibly give to the City. He wished the Council a Happy New Year.

Mr. Kraut thanked the Council and Deputy Mayor Brett for her work with both the Council and the Planning Commission. He reminded the Council that this project began with a completely different proposal. The original proposal, a hotel, was another idea that did not work for the City, and the current proposal does work.

5. Draft unapproved minutes of the Budget Workshop held November 16, 2015 and the Regular Meeting of the City Council held November 18, 2015.

Councilman McCartney requested an amendment to the minutes of November 18, 2015, to add the word “discussions” to his comments.

Councilwoman Brett made a motion, seconded by Councilman McCartney, and unanimously carried, to approve the minutes of the Budget Workshop held November 16, 2015 and the minutes as amended of the Regular Meeting of the City Council held November 18, 2015.

6. Issues Update/Old Business.

Councilwoman Brett stated that the Landmark Committee is considering historic districts. There is a proposal that she encouraged the Council to consider and review.

7. Mayor and Council amendments to the proposed 2016 City of Rye Budget.

Mayor Sack proposed an amendment to the budget to reflect a reduction to the 2015 appropriation of the general fund for unassigned fund balance to the five point intersection by \$100,000 and moved for a salary for a fire administrator.

Councilwoman Bucci explained that she and Councilman Mecca have worked with the Fire Department staff to reach the consensus that the Fire Department is in need of oversight. A Fire administrator would be a step in right direction.

Councilman Mecca added that after many meetings with the department, he and Councilwoman Bucci feel that more oversight would be welcome.

Mayor Sack thanked Councilmembers Mecca and Bucci. With regard to the five points intersection project, the Council does feel that the project has benefit, but at this time there are other priorities that need to be accommodated. With budget planning, the Council must face a balance of competing interests. Mayor Sack further stated that at this point, the fine details about the Fire Department Administrator role have yet to be decided, but there is a need for more oversight.

Councilwoman Bucci, seconded by Councilman Mecca, and unanimously carried, moved to amend the proposed 2016 budget to reflect the changes proposed by Mayor Sack to move the \$100,000 appropriation for the five points intersection to that of a salary of Fire Department Administrator.

8. Public Hearing on the proposed 2016 Budget.

Councilwoman Brett made a motion, seconded by Councilman Mecca and unanimously carried, to open the public hearing for the proposed 2016 budget.

Joseph Murphy made a statement to the Council. He reported that the Senior Advocacy Committee is concerned about Rye seniors during the winter months. They support opening the Rye Reading Room on Sundays and suggest that it be considered in the budget for 2016.

Councilwoman Brett made a motion, seconded by Councilwoman Killian and unanimously carried, to continue the Public Hearing to December 16, 2015.

10. Discussion concerning the Pilot Study reducing the speed limit to 25 miles per hour on Stuyvesant Avenue and a recommendation regarding a permanent change in speed limit.

Councilwoman Killian reported as the liaison to the Traffic and Safety Committee. There is a proposal for the City to pursue implementing a Home Rule law to reduce the City-wide speed limit from 30 to 25 miles per hour. The proposed change began when a resident approached the Council about a speed limit reduction on Stuyvesant Avenue. The City proceeded to engage in a pilot study on several roads. The results did not indicate that reducing the speed limit made a difference, but it may have been because it was a test. Councilwoman Killian stated that each resident she has heard from supports this initiative. To implement a lower speed, there would have to be a Home Rule law on the State level. The City has spoken with George Latimer and Steve Otis, who would need to work with the City for the passage of a Home Rule law. Councilwoman Killian further stated that this change may take time, but the

City must decide soon whether this is something to be pursued. Councilwoman Killian stated that she would like to see this change happen in the City. There are many children, pedestrians and bicyclists throughout the City. Councilwoman Killian recommended moving forward support for a speed limit reduction to the State to change the City wide speed limit to 25 miles per hour.

Mayor Sack stated that he would like the Council to vote on a resolution allowing City Manager to pursue this initiative with the State. The City intends on calling on Mr. Latimer and Mr. Otis to help with the speed limit reduction. Mayor Sack suggested that this item be included in the agenda for the next City Council meeting scheduled for December 16, 2015. It is important for there to be public notice that the Council plans on pursuing this.

Councilman Slack stated that there was a memo in the Council packet on this issue. He felt it would be helpful to have a member of the TPS to answer questions raised by the memo.

Mayor Sack suggested putting this matter over to December 16, 2015.

11. Residents may be heard on matters for Council consideration that do not appear on the agenda.

Nothing was discussed under this agenda item.

12. Resolution to approve a Memorandum of Agreement between the City of Rye and the City Manager regarding the carryover of accrued sick days.

Councilman Mecca stated that the City Manager requested to carry over sick days from his previous employment. The Counsel asked the Corporation Counsel to draft an agreement loaning City Manager Serrano 36 sick days.

Councilman Slack made a motion, seconded by Councilwoman Brett and unanimously carried, to approve a Memorandum of Agreement between the City of Rye and the City Manager regarding the carryover of accrued sick days.

Notwithstanding the foregoing, a failure of the City to complete the City Infrastructure Improvements work in accordance with this Agreement shall not constitute a default of the Developer.

The County will not reimburse the Municipality with any of the HIF Funds, (as defined in Section “4” hereof) except allowable costs in connection with the preparation of bid documents and plans, and work will not be required to commence on the Infrastructure Improvements until:

(i) evidence has been provided to the County that the Developer owns the Affordable Housing Property (shown on Schedule “A”) free of liens, encumbrances, easements and agreements unless such liens, encumbrances, easements and agreements, if any, shall be subordinate to the Declaration of Restrictive Covenants in a manner acceptable to the County and;

The requirements contained in clauses (i), (iv), (v), (vi), (vii), (viii) and (ix) above must be satisfied prior to or concurrent with execution of this Agreement. The requirements contained in clauses (ii) and (iii) above must be satisfied within 365 days following execution of this Agreement.

All of the provisions of this Section “2” will survive the expiration or other termination of this Agreement until the expiration of the Period of Affordability as defined in Schedule “B”.

3. LIENS: Except as provided in the title policy, the Municipality and the Developer will not enter into any mortgage or other financing documents that place a lien on the Infrastructure Improvements, which will be owned by the County, or the Infrastructure Improvements Property, which conflict with or diminish the terms of the Restrictive Covenants recorded against the Affordable Housing Property. In the event any lien is placed on the Infrastructure Improvements or the Infrastructure Improvements Property by a contractor or subcontractor, the Municipality or the Developer that engaged such contractor or subcontractor shall take immediate action to discharge such liens.

4. PAYMENT: The County’s sole obligation under this IMDA is to pay an amount not to exceed TWO MILLION TWO HUNDRED THOUSAND (\$2,200,000.00) DOLLARS (the “HIF Funds”) to the Municipality to fund the construction of the Infrastructure Improvements necessary for the Development, pursuant to the terms hereof. The County HIF Funds will be paid with the proceeds of the Bonds in accordance with the payment provisions of Schedule “D”. The County will make such payment to the Municipality only after submission by the Municipality of all requested documentation concerning construction of the Infrastructure Improvements (as specified in Schedule “D”) and after audit and approval by the County for expenses properly incurred in the performance of this Agreement. The County will not be liable for any costs or expenses in excess of the HIF Funds incurred in connection herewith. The Municipality will promptly pay for work performed. The County will not be restricted from withholding payment for cause found in the course of such audit or because of failure of the Municipality or the Developers to cooperate with such audit. The County will, in addition, have the right to audit such books and records subsequent to payment during the period that such books and records are required to be maintained under any applicable law.

County HIF Funds will be expended solely and exclusively for the purchase of materials and labor and related soft costs used in the design and/or construction of the Infrastructure Improvements necessary for the Development, in accordance with this Agreement, as specified in Schedule "D".

Payments hereunder to the Municipality by the County will operate to release the County from any and all obligations or liabilities to the Municipality, the Developer, and their respective contractor(s) or sub-contractor(s) hereunder, for the work associated with those payments. Notwithstanding the foregoing, the County expressly disclaims the existence of any third party beneficiary relationship between the County and any such parties.

The Municipality will furnish the County, whenever requested to do so, satisfactory evidence showing that all monies already paid hereunder have been applied by the Municipality toward the costs of the Infrastructure Improvements. Until such evidence, which shall consist of an affidavit certified by the respective contractor(s) acknowledging receipt of payment from the Municipality, is produced, at the option of the County, no further payments need be made by the County hereunder.

Notwithstanding anything herein contained to the contrary, should the Developer Infrastructure Improvements and/or the Development fail to be fully constructed within three (3) years from execution of this Agreement then the County shall have the right, at its option, to require repayment from the Developer. The three year requirement may be extended due to strikes, acts of God and other unforeseeable delays outside the control of the Developer.

HIF Funds to the Municipality.

14. ASSIGNMENT OF RIGHTS: Any purported delegation of duties or assignment of rights under this Agreement without the prior express written consent of the County is void. The

Municipality shall not subcontract any part of the work to be performed hereunder without the written consent of the County, provided, however, that the foregoing shall not be deemed to apply to contracts entered into by the Municipality to implement construction of the Infrastructure Improvements. All subcontracts shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. All work performed by a subcontractor shall be deemed work performed by the Municipality.

The County's consent to the assignment of the responsibility for or delegation of the duty hereunder shall not release the Municipality or Developer from their respective obligations under this Agreement. The Municipality and Developer shall remain liable to the County for the performance of all respective obligations under this Agreement.

15. ENTIRE AGREEMENT; AMENDMENT: This Agreement, including without limitation all Schedules and attachments constitute the entire Agreement between the parties with respect to the funding of the Infrastructure Improvements and will supersede all previous negotiations, commitments and writings. It will not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

16. INDEPENDENT CONTRACTOR: The status of the Municipality and Developer under this Agreement will be that an independent contractor and not that of an agent, and in accordance with such status, the Municipality and Developer, and their respective officers, agents, employees, representatives, contractors and sub-contractors, will at all times during the term of this Agreement conduct themselves in a manner consistent with such status, and by reason of this Agreement will neither hold themselves out as, nor claim to be acting in the capacity of, officers, employees, agents, representatives or servants of the County, nor make any claim, demand or application for any right or privilege applicable to the County, including without limitation, rights or privileges derived from workers' compensation coverage, unemployment insurance benefits, social security coverage and/or retirement membership or credit.

17. COMPLIANCE WITH LAW: The Municipality and Developer will comply, each at their sole cost and expense, with all applicable federal, state and local laws, rules and regulations, ordinances and requirements affecting the conduct of their activities in connection with the performance of this Agreement herewith, including without limitation the fair housing laws, including but not limited to 24 CFR Subtitle B, Chapter 1 Sec. 100.304, Section 807(b)(2)(C) of the Federal Fair Housing Act (42 U.S.C. 3607(b)), and 24 CFR 100.305, 100.306, 100.307 and the New York State New York Human Rights Law, Exec. L. Sec. 296.2-a(e) and, as applicable to the parties, as an employer. In addition to and not in limitation of the foregoing, the Municipality, as a condition of the receipt of the HIF funds will use reasonable best efforts to require that the work hereunder must be performed in good workmanlike manner and that all permits, approvals and consents necessary for the proper conduct of such activities in connection with this Agreement will be obtained.

All of the provisions of this Section "17" will survive the expiration or other termination of this Agreement until the expiration of the Period of Affordability provided that the County has paid the HIF Funds to the Municipality.

18. NOTICES: All notices of any nature, requests, approvals and other communications which may be given by either party to the other under this Agreement will be in writing and sent by registered or certified mail postage pre-paid, or sent by hand or overnight courier or sent by facsimile (with acknowledgement received and a copy of the notice sent by overnight courier) to the respective addresses set forth below or to such other addresses as the respective parties hereto may designate in writing. 19. TERM OF AGREEMENT: The term of this Agreement shall commence upon execution of this Agreement, and shall continue for five (5) years, unless the Agreement is terminated sooner in accordance with the term of this Agreement.

(a) In the event the County determines that there has been a material breach by either of the Parties of any of the terms of the Agreement and such breach remains uncured for forty-eight (48) hours after service on the Party of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the Work provided for in this Agreement, or contract for its completion, and any additional expense or cost of such completion of the City Infrastructure Improvements shall be charged to and paid by the Developer and any additional expense or cost of such completion of the Developer Infrastructure Improvements shall be charged to and paid by the Developer. Without limiting the foregoing, upon written notice to the Parties, repeated breaches by either of the Parties of duties or obligations under this Agreement shall be deemed a material breach of this Agreement justifying termination for cause hereunder without requirement for further opportunity to cure.

20. NON-DISCRIMINATION: The Municipality and Developer each agree that neither they, nor any contractor, subcontractor, employee, or other person acting on their

respective behalf will discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of Laws of Westchester County. The Municipality and Developer acknowledge and understand that the County maintains a zero tolerance policy that prohibits all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

Pursuant to Section 308.01 of the Laws of Westchester County, it is the goal of the County to use its best efforts to encourage, promote and increase the participation of business enterprises owned and controlled by persons of color or women in contracts and projects funded by all departments of the County. Attached hereto and forming a part hereof as Schedule "H" is a Questionnaire entitled Business Enterprises Owned and Controlled by Persons of Color or Women. The Developer agrees to complete the questionnaire attached hereto as Schedule "H", as part of this Agreement.

21. VALIDITY: If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Agreement will in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision will be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision will be interpreted and enforced to give effect to the original written intent of the parties prior to determination of such invalidity or unenforceability.

22. LEGAL AND EQUITABLE RELIEF: The injury to the County arising from noncompliance with any of the material terms of this Agreement and the Schedules hereto, including without limitation failure to complete the Development or noncompliance with the Affordability Requirements until expiration of the Period of Affordability, as more fully set forth in Schedule "B" to the Declaration or the Developer Infrastructure Improvements in accordance herewith, on the part of the Developer or the completion of the City Infrastructure Improvements on the part of the City would be great and the amount of consequential damage would be difficult to ascertain and may not be compensable by money alone. Therefore, in the event of any such noncompliance, which remains uncured for thirty (30) days after service on the Municipality and/or the Developer as the case may be, of written notice thereof (the "Cure

Period”), the County, at its option, may terminate this Agreement and/or apply to any state or federal court for: (A) specific performance of this Agreement and the Schedules hereto; (B) an injunctive relief against any noncompliance; and/or (C) seek any and all appropriate legal and/or equitable remedies, including, but not limited to, damages, reasonable attorney’s fees, disbursements and court costs in such amounts as shall be allowed by the court. The City’s liability under the foregoing paragraph is limited solely to the construction work and Infrastructure Improvements contemplated under this agreement in accordance with Schedule “D” herein and will terminate upon the maturity or redemption of the Bonds.

The Commissioner of Planning, in his sole discretion, may agree to stay any such enforcement beyond the Cure Period, provided however that the County determines that the Municipality and/or Developer is diligently and continuously acting to cure said noncompliance. Without limiting the foregoing, upon written notice to the Municipality and/or Developer, repeated non-compliance by the Municipality or Developer of any particular duty or obligation under this IMDA will be deemed a material breach of this IMDA justifying termination for cause hereunder without requirement for further opportunity to cure. Notice will be effective as set forth herein.

All of the provisions of this Section “22” will survive the expiration or other termination of this Agreement until the expiration of the Period of Affordability provided that the County has paid the HIF Funds to the Municipality.

23. COUNTY APPROVALS: It is hereby acknowledged that any request by the Municipality or Developer for any modification of the terms hereof which requires consent of the County will be subject to the receipt of any and all necessary County approvals. It is further acknowledged that in no event, will any delay or failure of the Westchester County Board of Legislators and/or Westchester County Board of Acquisition and Contract to appoint or approve any action be deemed to be unreasonable.

24. EXECUTION: This Agreement may be executed simultaneously in several identical copies, each of which will be an original and all of which will constitute but one and the same agreement.

25. GOVERNING LAW: This Agreement will be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that any cause of action arising out of this Agreement will be brought in the County of Westchester.

26. NO WAIVER: Failure of the County to insist, in any one or more instances, upon strict performance of any term or condition herein contained will not be deemed a waiver or

relinquishment for the future of such term or condition, but the same will remain in full force and effect.

27. THIRD PARTIES: Nothing herein is intended or will be construed to confer upon or give to any third party or its successors and assigns any rights, remedies or basis for reliance upon, under or by reason of this Agreement, except in the event that specific third party rights are expressly granted herein.

28. REQUIRED DISCLOSURE OF RELATIONSHIPS TO COUNTY: Attached hereto and forming a part hereof as Schedule “I” is a questionnaire entitled “Required Disclosure of Relationships to County.” The Municipality and Developer each agree to complete said questionnaire as part of this Agreement. In the event that any information provided in the completed questionnaire changes during the term of this Agreement, Municipality and Developer, as appropriate, each agree to notify County in writing within ten (10) business days of such event.

29. ENFORCEMENT: This Agreement shall not be enforceable until signed by all parties and approved by the Office of the County Attorney.

30. ELECTRONIC FUNDS TRANSFER: All payments made by the County to the Municipality will be made by electronic funds transfer (“EFT”) pursuant to the County’s Vendor Direct program. Contractors doing business with Westchester County, who are not already enrolled in the Vendor Direct Program, will be required to fill out and submit an EFT Authorization Form in order to receive payment. The EFT Authorization Form and related information are annexed hereto as Schedule “J”. The completed Authorization Form must be returned by the Municipality to the Commissioner prior to execution of the contract. In rare cases, a hardship waiver may be granted. For a Hardship Waiver Request Form, please contact the Westchester County Finance Department.

All payments made by the Municipality to the contractors selected to perform work described herein shall also be made by electronic transfer of funds as may be required by the Municipality.

31. CAPTIONS: The captions are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement nor the intent of

any provision thereof.

32. **CONFLICT OF INTEREST:** The Municipality and Developer shall each use all reasonable means to avoid any conflict of interest with the County and shall immediately notify the County in the event of a conflict of interest. The aforementioned parties shall also use all reasonable means to avoid any appearance of impropriety.

33. **JOINT AND SEVERAL LIABILITY:** The obligations of the HDFC and the LLC. to the County under this Agreement are joint and several.

RECOMMENDATION: That the Council consider a Resolution to reduce the speed limit in the City of Rye from 30 to 25 miles per hour.

IMPACT: Environmental Fiscal Neighborhood Other:

BACKGROUND: The City conducted a Pilot Program reducing the speed limit along the length of Stuyvesant Avenue to 25 mph. There is interest to reduce the speed limit throughout the City of Rye from 30 to 25 miles per hour similar to the reduction of speed in New York City.

Assemblyman Steve Otis introduced statewide legislation, based on the NYC model, to allow local governments outside of New York City the authority to have a general speed limit of 25 mph in their community. Opposition to this proposed legislation has been raised citing the need for uniform speeds around the state, noting that the 30 mph speed limit is the expectation of motorists. Assemblyman Otis and Senator Latimer support this legislation and will continue to raise the issue in 2016.

Although this has been a long standing practice of the club, it has not been formally approved as a policy by the City Council. - Individual Daily Golf \$200 RGC Gift Card
- Weekday Golf \$125 RGC Gift Card
- Family Pool \$100 RGC Gift Card
- Individual Pool \$50 RGC Gift Card

Eligibility requirements are as follows:

- A referral rewards card must be filled out by the member making the referral when they submit their application for the new season.
- The referee must never have held any type of membership at Rye Golf Club before.
- The referee must pay-in-full when joining the club.

This referral program is an excellent direct-advertising opportunity for the club where any expense associated with the campaign (the gift cards) is only expended when the club has successfully sold a new membership. In 2015 the club awarded \$3,125 in RGC Gift Cards to 20 members who successfully referred 20 new members to the club resulting in additional revenue to the club of \$63,300.

The Rye Golf Club Commission is in support of the referral program. It is my request the City Council formally approve of this policy and also grant the City Manager the authority to make changes after an annual review of the performance of this program.

Thank you for your consideration;

Subject: Boat Basin Items for City Council

Date: December 4, 2015

As per your request, the following items were discussed at the November 30, 2015 Boat Basin Commission meeting:

1. All Commissioners were in attendance along with a majority of the marine contractors that frequent the Boat Basin property providing various services to Boat Basin permit holders.

The first item for discussion was the establishing of a contractor licensing and annual fee agreement. This was also discussed at the November 23, 2015 Boat Basin Workshop meeting held at Rye Recreation. All Contractors were contacted and invited to attend.

After lengthy discussion between the Boat Basin Commissioners and the Contractors, the Boat Basin Commission proposed a \$250.00 per year fee for all contractors. As is currently the case, valid certificates of liability insurance naming the City of Rye Boat Basin as additionally insured would continue to be required, and proof of Workmen's Compensation would also be required.

All Commissioners voted in favor of the contractor licensing/fee proposal.

2. It was further requested by Chairman Gavlik that the membership of the Boat Basin Commission be increased from 5 to a total of 7 members.

The current Boat Basin Commission consists of 5 members. They are all City of Rye Resident permit holders. They are elected for two year terms commencing January 1st. Elections are held the previous August with current slip holders returning a valid ballot to the City Clerk's Office.

After brief discussion, an additional proposal was made by Commission member George Szczerba to have one member of the Commission be a Non-Resident. The motion to increase the Commission membership with one Non-Resident member was passed unanimously by the Commission.

3. The Boat Basin Commission recommends the mooring fee be increased in 2016 to \$250.00 per mooring. The \$100 increase from 2015 fee will be dedicated funds for the Marina Dredging. Additionally the moorings with a float/dock permanently attached will be charged a total mooring fee of \$500.00.
