The Committee typically meets virtually five to six times a year on Tuesdays from 4:00-5:30 p.m. The first meeting is November 9th. A complete meeting schedule will be provided to all committee members.

The Technology Committee Charge for 2021-22 is as follows:

- Propose and evaluate potential hardware and software products for use in the District and make recommendations to the Superintendent
- Research, discuss, and recommend professional development opportunities for teachers and administration members
- Develop and analyze an internal survey regarding the state of technology availability and usage within the Rye City School District, if appropriate
- Review and submit a new Technology Plan
